

14th International Conference on Research Challenges in Information Science 23 - 25 September 2020 | Limassol, Cyprus

ABOUT

The goal of RCIS 2020 is to bring together scientists, researchers, engineers and practitioners from a wide range of information science fields and provide opportunities for knowledge sharing and dissemination. RCIS has become a recognised conference on research challenges in information sciences. Organised for the 14th time in a row, RCIS 2020 will be held from September 23 - 25, 2020, in Cyprus.

VENUE

The Royal Apollonia Beach Hotel is a 5 star newly renovated hotel, situated in the heart of Limassol, on a sandy beach, surrounded by extensive gardens and framed against the glittering Mediterranean Sea. The Hotel is 50 minutes away from Larnaca International Airport, 10 minutes from the town centre and a few minutes away from shops, bars, restaurants, nightclubs and places of archaeological interest.

COMMITTEES

General Chairs

George Papadopoulos
Pericles Loucopoulos

Programme Chairs

Jelena Zdravkovic
Fabiano Dalpiaz

Posters & Demos

Elena Kornyshova
Marcela Ruiz

Doctoral Consortium

Raian Ali
Sergio Espana

Tutorials

Estefania Serral Assensio
Ignacio Panach Navarrete

SCIENTIFIC TOPICS

Information Systems and their Engineering
Human-computer Approaches
Data and Information Management
Enterprise Engineering
Applications
Business Intelligence
Information Infrastructures
Reflective Research and Practice

IMPORTANT DATES

Abstract Submission Deadline: 27 January 2020

Regular Paper submission Deadline: 3 February 2020

Notification to authors and registration opening: 15 March 2020

Author registration deadline for all paper types: 30 April 2020

Camera-ready copy deadline for paper types: 30 April 2020

Early registration deadline: 04 September 2020

CYPRUS

Cyprus is a EU member and a major financial, business, tourist, and educational hub in the Mediterranean. For millennia, Cyprus has been at the cross-roads of major civilizations. It combines modern European culture with ancient enchantment and world-class tourist and archaeological attractions.
